

for caravan parks

This is a list of effective Eco-Products with a brief explanation of use. We can email you a product sheet of any of the products you are interested in along with their costs.

The products are categorized by areas of use.

Workshop and Outdoors

C-Lube

C-lube protects and lubricates all chains and cables on cranes, earthmovers, forklift trucks, hoists, conveyors, mining and quarry machinery and all industrial equipment. C-lube is biodegradable and has no harmful effect on natural bacteria. Comes in an aerosol can.

Coolfluid

Mineral oil coolant and lubricant suitable for use in milling, thread cutting, sawing, carving, drilling, on screw threads, lathes and sanders.

Hi-Tempreze

The superior Anti-Seize lubricant that contains molybdenum disulphide "Moly" for improved efficiency. Hi-Tempreze gives superior protection and lubrication to screw threads. It gives maximum torque and reduces friction. Pitting, rusting, seizure and thread distortion are all eliminated. Hi-Tempreze also eliminates leakage and ensures easy removal even when two different metals are used.

Hydrobat 200

Waterproofing masonry treatment protecting walls against moisture penetration prevents plaster from flaking. Walls are less moist, improving insulation and reducing heat loss.

Gearlube

Gearlube lubricates and protects open gears and sliding surfaces in all manufacturing, crane and plant departments, mines and quarries, shipyards, construction, transport and other industries.

Freeit

Quickly penetrates removing rust and corrosion but also grease, oils, fats and other forms of dirt. Freeit starts to work immediately on contact and penetrates rapidly into all parts. Freeit is a highly mobile fluid which quickly spreads over all surfaces and finds its way into crevices which remain inaccessible to other products.

Liftcon

Liftcon quickly and completely removes concrete, cement, rust, scale, algae, and many other types of corrosion from many different surfaces.

Lubeze Taps IT

Special lubricant and coolant to make any necessary operation easier in connection with screw threads and tapping.

Metalube Cut

Metalube Cut is an emulsifiable, EP (extreme pressure) metalworking fluid for heavy cutting operations. Rapidly wets the metal surface, resulting in excellent cooling and lubricating properties.

Natura Sol

Bio Cleaner especially suitable for the cleaning hydrocarbon stains from floor and car parks.

Paroxide

Quickly & effectively neutralises the rusting process. Chemically prevents the rusting process on iron surfaces penetrating rust creating a protective coating.

Protect

Protect leaves a flexible anti-rust coating, giving outdoor protection to up to 18 months. The protective film drives into crevices and pockets, which tend to retain moisture.

Rust Ko

Rust Ko is a highly penetrating oil(-43 c) that shrinks the thread part. Due to this shrinking the connection of the rusting parts rips and detaches. Rust Ko is also a strong and fast releasing agent that expels water, protects and prevents corrosion.

Watelec

Removes water and moisture from all electrical devices. Penetrates through fresh and salt water, displaces the moisture completely and immediately leaves a protective anti-corrosive film.

Symosol

Synthetic resin mortar for repairs of horizontal surfaces, holes, crumbled areas, cracks, broken pieces on objects made of concrete, cement or derivatives.

Zep Aerolube

A high-quality, multi-purpose, heavy-duty white lubricant containing calcium greases and corrosion inhibitors. Lessens wear on metal-to-metal and plastic-metal interfaces.

Disinfectants and Absorbents

Bactivect

Advanced virucidal disinfectant cleaner for the sanitation of surfaces in high risk environments. Bactivect is effective against a wide range of micro-organisms, including bacteria, spore-forming bacteria and viruses. Bactivect has been independently tested and certified according to the latest European Disinfectant Standards, EN 126, EN 13704, EN 14476 and EN 14675

Debac

Designed for cleaning and disinfecting surfaces, equipment and tools. Debac provides the ideal basis for infection control and hygiene programmes in high risk areas such as health and community care. Hygiene-critical food manufacture, cosmetics, and agriculture. NSF approved registered under authorization number 11047N

Netosol

High absorbency granules rapidly absorb all liquids including oils, acids, alkalis, solvents, lubricants, chemicals, grease, blood and water.

Soak-Up Granules

Spill absorbent granules absorb all liquid spillages including oils, acids, alkalis, solvents, lubricants, chemicals, grease, blood and water.

Vehicle washing

New Plus

Car Shampoo cleans and waxes at the same time. New Plus quickly removes dirt, oil, grease, petrol stains, road film and insects without harming the finish of any surface. Acrylic-based car cleaner leaves a protective molecular layer. Special waxes in New Plus leave a hard, even, resilient wax coating to give both a beautiful finish and a thorough protection against all forms of dirt including salt.

Powaclene TFR

Powaclene TFR is a powerful hard surface cleaner and traffic film remover. Recommended for cleaning tanker fleets, tarpaulins, bulk storage tanks, concrete floors and other soiled hard surfaces.

Red Magic

Red Magic is a powerful cleaner and degreaser for the Railway Industry. Red Magic quickly cleans off traffic film, oil, grease, carbon, stubborn dirt and insect stains from the exterior of rolling stock, under frames and trackside equipment. Red Magic emulsifies oils and other contaminants and within 10 minutes "splits" in the separation tank or interception system. The water then flows away safely and the effluent is removed for disposal.

Supasol Hydro

Supasol Hydro is a blend of powerful chemicals. It quickly penetrates and dissolves heavy mineral oils, tar, bitumen, adhesives, resins, inks, vegetable oils, greases, traffic film and other dirt and soiling.

Super Klean

For cleaning and degreasing all waterproof surfaces, even if heavily soiled with special corrosion inhibitors for aluminum surfaces.

Hand and skin care

Cherry Bomb

Powerful industrial hand cleaner easily removes even the most stubborn grime: grease, tar, asphalt, ink, paint, glue etc.

Glove

Protective skin cream Glove leaves an impenetrable protective film that protects skin against dirt, grease, dye, oil, etc.

Hand Over Fist

Non-tainting, odourless hand cleaner removes stubborn oil, grease, inks, dyes, wax and other forms of dirt from the hands. Hand Over Fist's new biological action protects the skin from germs and infections.

HandStand Antimicrobial Lotion Soap

A clear, amber antimicrobial liquid hand soap for use in the Zep Handstand Dispenser System.

HandStand Instant Hand Sanitizer

Alcohol-based hand sanitizer formulated to be used without water or towels as a supplement to regular hand washing. Eliminates over 99.5% of many cross-contaminating micro-organisms. For use in Zep Handstand Dispenser.

HandStand Shower Soap

A body soap and hair shampoo with a zesty herbal scent. Especially created for use in Zep Handstand Dispenser System.

Handy Wet Wipes

Handy Wet Wipes provide an easy and convenient way of cleaning hands and hard surfaces. Handy Wet Wipes contain their own highly effective germicide to protect against infection by microorganisms.

Kremtect

Kremtect has a 'Liquid Glove' formulation which protects the hands under the most demanding situations to prevent skin irritation. Kremtect forms a protective greaseless film which protects against grease, oils, solvents, detergents, paints resins, inks, tar and other soiling.

Tko

Heavy-duty, liquid hand cleaner that cleans without the use of solvents. Tko contains poly beads, detergents, emulsifiers and emollients.

Whispex

Hand cleaner and moisturiser. Whispex contains its own effective bacteriostat to protect the skin after washing.

Laundry Products

Balance Automatic

Balance Automatic is a low foaming, biological detergent, specially manufactured for use in health care establishments, hotels, leisure centres and schools. Balance Automatic contains high performance, colour – safe bleaching agents and a high quality bright quality optical brightener system. Very economical recommended use approximately 100gm per 10 kg dry weight washing.

Balance Non-Bio

Balance Non-Bio contains a high performance, colour-safe bleaching agent and a high quality optical brightener system.

Lavender Fabric Softener

Lavender Fabric Softener is a concentrated blend of cationic fabric conditioners suitable for use in the last rinse on all types of fabrics.

Kitchen

Aqua Sorja

Soya-based multi-purpose degreasing cleaner.
Effective : Liquid detergent for cleaning and degreasing all surfaces, even if extremely soiled.
Neutral, non-corrosive, non-toxic and non-flammable.

Alisolv

Aerosol degreaser for the food industry. Degreases stainless steel and light alloy surfaces, which may come into contact with foodstuffs.

Alsil

Silicone lubricant for use in the food industry. Lubricates connections, joints, slide-bars on machining tools, locks, and rubber on walk-in refrigerator doors. Prevents grime, dust, water and more from adhering to any type of surface.

Bioclene

A ready to use spray cleaner containing an amphoteric bactericide.

Bioclene Wet Wipes

Bioclene wet wipes dissolve dirt, stains, grease and scum immediately on contact.

Carbonex 250

Alkaline cleaner formulated to remove baked on carbon, grease and other food deposits from ovens, baking equipment, utensils and food processing machinery.

Canazim Forte

Biological treatment of greasy waste and grease traps. Canazim Forte contains enzymes and bacteria that rapidly eliminate organic-based waste and grease.

De-Scale 10

De-Scale 10 is used to de-scale boilers, kettles and urns.

Halo 30

Modern lamp that attracts flies. Has a glueboard. Can be mounted on walls and ceiling.

Gentle

A hand dish cleaner with water softener.

Lubrinox

Cleans & polishes stainless steel used in the food industry. Restores the lustre of the treated item: canteens, ovens, stainless steel sinks, food production lines, etc.

MDB

Concentrated chlorinated dishwasher detergent. Unique formulation does not damage glazed porcelain. Can be used in all types of dishwashers and dispensers.

Natura Gel

Natura Gel is designed specially for biological treatment of pipes. Effective against organic residue derived from proteins, sugars, fats, oils, starch and cellulose. The new gel formation allows for a greater contact time between the residue and the active ingredients in the product making it even more effective.

Natura Cusine

Effective degreaser for floors for use in kitchens. Initially acts by removing the fat from the floor and specific micro-organisms then produce enzymes that break down the fat molecules and reduce it to simple CO₂ and H₂O.

Naturalle

Biological cleaner and degreaser for the removal of organic fats (vegetables, animal, sugars, proteins etc.) from all types of hard surfaces. Contains active fermentative extracts: instant biological cleaning and high degreasing action; ensures deep cleaning (porous and uneven surfaces)

Polynet A

Highly powerful degreaser, safe for the food industry. Cleans bare metals, painted surfaces, marble, terrazzo, quarry tiles, thermoplastic tiles, concrete, wood, plastic, canvas and many other surfaces.

Powaclene

A water based hard surface cleaner. Powaclene is an ideal floor cleaner for concrete, paint, tiled and vinyl floors. Powaclene quickly cleans off oil, grease, fat, carbon, dyes, scuff marks and all other types of dirt. Powaclean can be used on all surfaces including bare metals, painted surfaces, vinyl, terrazzo, quarry tiles and concrete.

Oven Brite

Clinging liquid stove and oven cleaner. Formulated to penetrate, loosen and liquefy baked-on food soils, carbon deposits, grease and grime from ovens, hoods, griddles, racks, burners, rotisseries and drip pans.

Rise N Shine

Dishwasher rinse aid provides a shiny, spotless finish.

Sanitary Spray Lubricant

Food processing equipment lubricant. This product has excellent lubricating properties for all types of mechanisms. Ingredients are odourless, tasteless and colourless.

Siltexol

Cleans out mud, silt, clay, sewage and other blockages in storm and foul drains. Harmless to joints.

Super Klean

For cleaning and degreasing all waterproof surfaces, even if heavily soiled with special corrosion inhibitors for aluminum surfaces.

Vita Gardenia

Perfume floor cleaner for everyday maintenance of floors, tiles, marble, limestone, plastic surfaces and all types of water-resistant floors. Dissolves quickly in water and then cuts into dirt immediately on contact. Contains no abrasives or caustic and will not "rough up" surfaces.

Toilets and bathrooms

Bioscale

Biological product removes insoluble scale in toilets, urinals and pipe work. Dual effect: dissolves mineral (lime) and organic (uric acid) scale due to bonding of organic acids, bacteria and enzymes.

BlockBreaker

The concentrated formula has been specially developed for professional use. BlockBreaker tackles the really tough blockages that occur in heavy use plumbing systems.

De-Scale 10

De-Scale 10 is used to de-scale boilers, kettles and urns. De-Scale 10 is for use in water lines, boilers, radiators, cooling systems and other industrial equipment.

Ecozyme

An advanced natural enzyme cleaner that speeds up the natural decomposition of organic waste and is used to treat blocked drains.

Liquid Plus

Deodorizing absorbent for liquids. Extremely effective absorbent, which can absorb 100-120 times its volume according to the type of liquid. Quickly absorbs fluids on a water base (drinks, juices, foods etc) fluids of a body origin such as blood, urine and vomit. After absorbing a liquid it is easily removed without leaving any residue.

Natura Splash

A biological detergent for bathrooms, floors, walls, sinks, taps, bathroom units and urinals. Contains cleaning agents generated from specific micro-organisms that target the molecules of human urine, faeces, blood, bodily fluids and toilet paper as food sources. It removes potentially harmful bacteria, acts for over 80 hours after application. Has a pleasant perfume smell and can be used as a spray for rapid urinal cleaning.

PH Minus NC

Acid additive for swimming pool water is a specific acidic preparation for the reduction of swimming pool pH.

Showerclene

All in one shower and washroom cleaner. Reformulated to give extra cleaning performance and freshness. Showerclene removes body fats, soaps, scale, algae, rust, copper stains and other contaminants from tiles, showers and all washroom surfaces

Siltexol

Cleans out mud, silt, clay, sewage and other blockages in storm and foul drains. Harmless to joints.

Super Mist

Can be mounted on any wall to protect your environment against unpleasant odours.

General Cleaning

Bri-Sol

Cleans and polishes at the same time. Bio-Sol quickly removes dirt, grease, oil, finger marks, dust, smears and stains and polishes the surface at the same time.

Brilarquent

Instant cleaner for silverware cleans and deoxidizes in one simple operation.

Radiant 7-11

Cleans, polishes, protects and returns original shine and colour in one easy step. Removes bits of food, ink spots, rust, and lime scale, grease and acid build-up from tiles. Use on surfaces made from aluminium, stainless steel, chrome, enamel, ceramic, porcelain, glass and plastic.

Zepvue RTU

Ready to use, heavy-duty glass cleaner quickly cuts surface film, grease, finger marks, bugs, lipstick marks, bathroom spatter and airborne soils from windows, windshields, mirrors and showcases. Trees were planted to offset

Floor Care & Outdoor areas

Assist

Spray-on carpet and upholstery shampoo quickly removes urine stains, blood stains, food and beverage stains, cosmetics, crayons, oil, pet stains, dirt and many other soils. For use on wool, nylon, acrylic and other synthetic carpets.

Chemseal

Chemseal seals in one simple operation. Floor maintenance is greatly reduced by the protection of surfaces against wear and stains from all manner of agents.

Dersol

Powerful stripper removes build-up of emulsion floor polishes. Quickly penetrates old layers of wax, lubricant, soap residue, food and ink stains on all types of flooring.

Ecoline Aerosol

Quick drying line paint. Manufactured in white and yellow. Water based and can be used on any surface including Tarmacadam

Ecotect

2-Part Epoxy Floor Sealer and Hardener. Protects brick, composition floors, concrete, metal, plaster, quarry tiles, stone, terrazzo and wood. Prevents dusting.

Fabric Refresher

Dry spray fabric deodoriser. Eliminates tough odours without messy residue. Use on carpeting, upholstery and other sources of malodours in or on fabrics.

Natura Sol

Bio Cleaner especially suitable for the cleaning hydrocarbon stains from floor and car parks.

Emulrout

Bituminous mixtures for direct application giving an instant repair of hollows and potholes in roads, parking areas, pedestrian ways, courtyards, school yards.

Symosol

Synthetic resin mortar for repairs of horizontal surfaces, holes, crumbled areas, cracks, broken pieces on objects made of concrete, cement or derivatives.

Winter Products

D-ICE Liquid

D-ICE rapidly penetrates and melts frost, snow and ice to leave a residue free surface. D-ICE is also recommended as a preventive against frost, ice and snow formation by applying it immediately at the onset of extremely cold conditions.

DE-ICER

Quick melting, non-smearing aerosol de-icer which contains its own rust inhibitor. Does not contain methanol or water, which means faster de-icing action and prevents re-freezing.

Kleen-Screen

Kleen-Screen removes road film, insects and other dirt to leave a smear-free finish. Kleen-Screen has no harmful effects on paintwork or rubber and prevents freezing down to temperatures of approx -20 c.

Supathaw

Supathaw releases energy in the form of heat and works immediately on contact with frozen surfaces. Supathaw is non-toxic, non-tainting and non-corrosive. Supathaw contains a special antislip additive and will not 'carry' into buildings. Supathaw is a better alternative to rock salt for doorway entrances and paths.

D-ICE Granular

D-ICE Granular rapidly penetrates and melts ice, frost and snow. Easy to use - just spread overfrozen surface and allow to thaw. Non-corrosive to aluminum, steel and concrete structures.
